GAP Coverage Available at Four Points!

Is your auto loan covered by GAP? GAP, or **Guaranteed Asset Protection** is optional coverage available with your vehicle loan at Four Points. A gap in coverage can occur when you have a total loss on your vehicle and you still owe more on your loan than its current value as assessed by your insurance company. Without GAP, you may have to continue paying on this remaining balance on a vehicle you no longer have! GAP coverage can be included in your loan or paid separately. Ask us about GAP coverage on your next vehicle loan at Four Points!
